9.0 Business Arising from Minutes and Other Business:													
<b>9.1 Swan and Canning River Management Act 2006:</b> Marion has offered to report on the impact of this ACT on the management of the reserves BPG regularly work in. She was unable to attend this meeting but left some brochures.													
<b>9.2 Success Hill Reserve:</b> Public comments close Dec-14-07 (can download concept plan & feedback form from <a href="http://www.bpginc.info">www.bpginc.info</a> ). The plan appears to have some good points. The treatment of existing slopes and extent of earthworks is unclear from the information provided, and Don has not had much success seeking clarification from the consultants. Also, it appears the bike path has been rerouted to pass over the highest elevation point.													
<b>9.3 Ashfield Flat Plans:</b> Questions on details from the Bassendean Town website.	Seek an explanation for the Bassendean EO Lea Pearson. Invite to next meeting?												
<b>9.4 Mary Crescent Reserve:</b> More questions from details from the Bassendean Town website.	More awareness sought by BPG on future plans.												
<b>10. Next Meeting:</b> 13 February 2008													
<b>11. Closure:</b> The meeting closed at 9:36 PM
