### 5. Active BPG Projects

### Action

#### 5.1 Preparations for 2008 Plantings

- Kevin Bryant at DPI purchased for BPG a 10L tub of environmentally safe water based line marking paint to mark the proposed planting areas for the Council targeted herbicide spraying.
- Simon Stewert Dawkins approved BPG's planting program with the exception of Jubilee (see item 9.8).
- On 24 May Mick and Steve sprayed a small test area at Ashfield Flats using the Group's Hardi K15 backpack sprayer, precipitating the first big rain storm of the season. Despite that, the marking paint lasted almost two weeks.
- Following an Executive Committee decision, Mick bought a Hardi BP15 backpack sprayer to supplement the K15.
- On 8 June Don, Mick and Steve laid out the areas at Bindaring with Greg's assistance, then proceeded to complete Ashfield Flats. The season's second large rainstorm followed immediately.
- Canopy for planting days still pending.
- Mick purchased a garden cart for hauling plants and has fitted it with an extended tray that can carry 100's of plants.
- Kevin Bryant has located a supply of recycled stakes for the perimeters of the planting areas.
- 22 June BPG planted 870 natives at Ashfield Flats. The rain held off and the 15 volunteers finished the work in a little over two hours followed by a very nice BBQ.

#### 5.3 The BPG Website Development

- Traffic Report
- "Chat Room" for midmonth committee decisions.

#### 5.4 Foreshore Restoration:

- Wave erosion mitigation – Whisprwave or electricity generation?
- Status of Swan River Trust's Boating Management Strategy.
