

## LIONS CLUB OF BASSENDEAN

Dear Resident,

I'm writing to you to seek your opinion on the benefits & possibilities of establishing a Men's Shed in Bassendean. I wish to gauge the level of support and interest in this community. The Men's Shed that we have in mind will specifically target men, but as we expand will also offer opportunities to youth and women in the Bassendean region. Good health is based on many factors, including feeling good about yourself, being productive and valuable to your community, connecting to friends and maintaining an act of body and an act of mind. Becoming a member of Men's Shed gives people that safe and busy environment where they can find many of these things in an atmosphere of old fashioned friendship. And, importantly, there is no pressure. People can come and just have a yarn and a cuppa if that's all they're looking for.

Additionally we will be incorporating via **BASSENDEAN PRESERVATION GROUP** the necessary skills needed to grow & plant Australian Native plants, with very high levels of plant survival. This for those persons yearning for " Green Thumb Education ".

Please take the time to fill out the survey below. Completed surveys maybe returned to:
