Making a difference in your world is what bushcare volunteering is all about!

Safety matters whether you are a new or experienced bushcare volunteer. This workshop is a great way to become familiar with how to work safely in the bush for new volunteers and to assist experienced volunteers in preparing for bushcare days. The workshop will cover occupational health and safety aspects, risk assessment and hazard identification in the Town of Bassendean.

*Come and learn how to do it safely, so you can go on doing it for years to come!*

When: Thursday 14th May 2009

Time: 7.00 - 9.00 pm

Where: Seniors and Community Centre  
Town of Bassendean Volunteer Centre  
50 Old Perth Rd, Bassendean

Cost: Free

**BOOKINGS ESSENTIAL**
